

## **LIMITED WARRANTY**

To avoid potential voiding of your warranty, please consult with our design team before making any additions or changes.

Mooring facilities (boat docks) are warranted, to the original consumer of this product, to be free from defects in materials and workmanship for a period of **FIVE YEARS** from completion. This warranty does not include damage to the product resulting from accident, misuse, neglect, alteration, extreme weather, modification, tampering, grounding, or failure to follow instructions supplied with the product. This warranty does not cover maintenance items such as cable and anchor replacement. This warranty does not cover electrical work as subcontractors perform that.

This warranty is void if the product is relocated by someone other than our designated agent.

If you deem the product or any part thereof to be defective within the warranty period, notify us at the address above. Upon determination that a defect exists, we will repair it free of charge in a timely manner.

This warranty is valid only in the United States and for products used in fresh water.

You must maintain documentation as proof that you are the original purchaser and include a copy with correspondence.

This warranty gives you legal rights, and you may also have other rights, which vary from state to state.
